ATTENTION:

Not all brands fit the same.

Please check our sizing charts carefully so you get a perfect fit! Ascend specializes in custom clothing, so we have more sizes with less change between them to get you a perfect 'custom' fit. Because of this, our sizes may not align with your favorite 'retail' brands in all cases.

*Due to the nature of custom made-to-order apparel, we can not offer exchanges or refunds due to fit. All sales are final.
